ABOUT APNI SHALA

Apni Shala was co-founded in 2013, and has been working since then towards building social and emotional competencies among individuals to constructively engage with society and have a harmonious coexistence. We are working towards a 3-fold mission:

- creating promotive and preventive mental health programs in partnership with schools
- offering professional development opportunities to teachers, educators and mental health professionals
- running a research-based school that integrates academic and social and emotional competency development.

Apni Shala's approach to Social Emotional Learning (SEL) is informed by Collaborative of Academic Social and Emotional Learning Framework(CASEL, USA), Narrative Practices, Diversity & Inclusion, Constructivist Learning Theory, and Mindfulness. Over a period of 9 years, Apni Shala has worked with over 8000 young people. Our work is aimed at not just students but also teachers and caregivers in the ecosystem. Apni Shala is funded by institutional grants, individual donations and revenues through workshops. We strongly believe that the individual passions of each team member fuel the growth of the organization and give it direction. Personal and professional development of our staff is therefore important to us at Apni Shala and it forms a major part of every team member's journey with the organization.
